HERE’S WHAT SNS ACADEMY STUDENTS ARE SAYING:

“SNS stays on my nails for well over three weeks without chipping. My nails still look as beautiful as they did when I had them done three weeks later! With SNS, my nails are the healthiest they have been in my entire life.”

—Laura T. (Influenster Reviews)

“SNS stays on my nails for well over three weeks without chipping. My nails still look as beautiful as they did when I had them done three weeks later! With SNS, my nails are the healthiest they have been in my entire life.”

—I would recommend SNS dipping powder service to anyone whose nails chip and peel like mine do. I cannot keep Shellac on my nails and acrylics damage my nails. I can usually keep SNS on for 3+ weeks!”
